

Patchwork order form—prices valid through 12/31/08

Patchwork shares first person stories of a diverse group of Vermonters who speak simply and honestly about their love for gardening and agriculture.

A practical resource guide is included to help volunteers, educators, and organizers plan sustainable community, school, and neighborhood gardens.

Patchwork makes a great gift to share with gardening friends, family members, and colleagues, and is an excellent addition for your garden bookshelf.
